

5m high photovoltaic panel installation price

How much does a 5kw Solar System cost in the UK?

A 5kw solar system price in the UK will set you back between £7,500 - £8,500, while a 4kW system can be £5,000 - £6,000. So far, the biggest system available is the 12kW solar panel system, costing between £12,000 - £13,000 on average.

How much does a 3.5 kWp solar panel system cost?

A 3.5 kWp solar panel system would typically require around 10 solar panels (at 350 W each) and cost between £5,000 and £10,000. *kWp stands for 'kilowatt peak'. This is the amount of power that a solar panel or array will produce per hour in prime conditions.

How much do solar panels cost in the UK?

The most common type of system is the 4kW solar system, which costs between £5,000 - £6,000. It can save the average household about £660 per year, provided that they have a decent number of sunlight hours and are installed on a south-facing roof. In 2024, the price of solar panels in the UK can vary depending on several factors.

How to install solar panels in the UK?

You will also need a roof or an array that faces South, as it is the best angle for solar panels in the UK. While other directions can still make use of adequate sunlight, you may not get maximum utility from your installation and your payback period will be longer. Similarly, the zone around the solar panels needs to be unobstructed by shade.

How much does a solar panel installation cost?

Generally, two installers will work together to install your solar panel system, and depending on its complexity, they can take up to 3 days to complete the installation. This means that you can expect to spend anywhere between £600 and £3,000 on labour costs alone.

Who makes high-end solar panels?

Manufacturers of higher-end solar panels include the likes of LG, Panasonic, Canadian Solar, Sharp and Solar World. 20% is the typical efficiency rating for a high-end panel, with 14% to 16% being the lower range. Solar panels are large, cumbersome and expensive. Fitting them is an expert job and easier installations will cost less.
