

# Jia Miao Power Station

What is guoneng shanghai-miao power station?

a Global Energy Monitor project. Guoneng Shanghai-miao power station () is an operating power station of at least 4000-megawatts (MW) in Shanghai-miao Town, Otog Front Banner, Ordos, Inner Mongolia, China.

What are the units at Guodian Shuangwei shanghai-miao power station?

The two units at Guodian Shuangwei Shanghai-miao power station are recognised as Unit 1 and Unit 2. The two units at Guoneng Shanghai-miao power station are recognised as Unit 3 and Unit 4. In 2011 it was reported that China Guodian and China National Tobacco Corporation were working together to develop a 2,000 MW power station in Ordos City.

Is shanghai-miao a supercritical power station?

In 2014, Shenhua Group (now National Energy Investment Group) sought approval for a 2 x 1,000 MW ultra-supercritical power station at Shanghai-miao Town in Otog Front Banner.

Where is Mailiao Power Station?

Mailiao power station () is an operating power station of at least 4200-megawatts (MW) in Mailiao, Yunlin County, Taiwan with multiple units, some of which are not currently operating. The map below shows the exact location of the power station. Loading map... Unit-level coordinates (WGS 84):

How will shanghai-miao thermal power station work?

The Shanghai-miao thermal power station will comprise four 1GW coal-fired power units, each of which will be equipped with an ultra-supercritical coal-fired boiler, a high-performance steam turbine along with an air-cooled generator, and a 240m-high flue stack.

Where is shanghai-miao coal-fired power project located?

The Shanghai-miao coal-fired power project is located in the Shanghai-miao coal mining region near Ordos, in Inner Mongolia, 40km away from Yinchuan, the capital city of China's Ningxia Hui Autonomous Region.
